PHARMACOLOGICAL REVIEWS

Pharmacological Reviews is issued four times a year in March, June, September, and December. These four issues constitute one volume of approximately 480 pages. The annual subscription price is \$8.00 in the United States, \$8.25 in Canada, and \$8.75 in other countries. The price of single issues is \$2.50. Correspondence regarding subscriptions should be addressed to the publishers or to their agents.

Change of address. The publisher must be notified 60 days in advance of a change in address. Copies which cannot be delivered because of an incorrect address will be destroyed. Duplicate copies, if available, may be purchased from the publisher at the regular price for single issues.

New subscriptions will begin with the first issue of the volume which is current when the subscription is received. If any issue of the current volume is out of print, the corresponding proportion of the subscription price will be refunded.

Renewals. Subscriptions should be renewed promptly since the publisher cannot guarantee to supply issues missed because of late renewals.

Editorial Office. Department of Pharmacology, Harvard Medical School, 25 Shattuck Street, Boston 15, Massachusetts. Otto Kraye, M.D., *Editor*.
